

Little Buddy

Joe Bruno

You're my little buddy, flying 'round the house.
Zig and zagging up and down and landing
Right on top of the couch.

You're my little buddy, swimming in the pool.
Hanging on to mama jumping up and down
And feeling cool.

(CHORUS)

**Everytime I see you makes me jump for joy.
You're my living jewel much better than a toy.
Your feathers and your charm make you a colorful boy.
YOU ARE MY ANGELO...**

You're my little buddy, swinging is your thing.
I love to see you dance
It really makes me want to laugh and sing.

Hoo be doo be doo bop
Hoo be doo be da

Hoo be doo be doo bop
Hoo be doo be doo be da do

(CHORUS)

You're my little buddy, flying 'round the house.
Zig and zagging up and down and landing
Right on top of the couch.
Zig and zagging up and down and landing
Right on top of the couch.
