

Memo to Parents: Fall 2010 Re-enrollment

Wonderful Parkside families! It's re-enrollment time...

Please read carefully the following information:

- Now is the time of year that we ask all Parkside families to let us know their plans for the next school year. If you are planning to re-enroll your child at Parkside for the 2010/2011 school year, please complete the attached form. If you have a currently un-enrolled sibling child that you would like us to consider for enrollment in the 2010/2011 school year, please include their information. Please return the form by **Tuesday, February 16th** along with a \$300.00 enrollment fee for each student.
- If you have a child/children that will be graduating into another class, we will be setting a day aside for the children to experience their new classrooms in May. If you have not already, and would like to schedule an observation in their new class, Shannon can provide you with the available times. She can also schedule time for you to visit by phone or in person with your child's future teacher if you wish.
- We are committed to continuing our exceptional programs and to providing scholarships as needed within our community and have held our tuition increases to the minimum amount possible.
- Tuition may be paid in full or in 10 monthly installments. The first payment is due the first of May 2010 and then monthly starting in August of 2010 if paying in installments.

Please feel free to contact me in the office you have any questions about Fall enrollment.

Linda
